

Double Braid Nylon Rope

- High-strength, high-stretch and torque-free nylon double braid rope.
- Features a nylon core inside a soft flexible nylon cover.
- Provides good shock absorption and resistance to abrasions, UV rays and many common chemicals.
- Nylon's high elongation properties make it ideal in applications involving shock loads, such as anchor lines and mooring lines.
- Features:
 - High strength and abrasion resistance.
 - Soft-hand feel, easy to knot.
 - Highly resistance to rot and deterioration.
 - Suited for towing and anchor lines.

Diameter (in)	Carpenter Stock No.	Length (ft)	Tensile (lbs)	Weight (lbs)	Color
1/4	CG381395	600	2000	11	White
5/16	CG381400	600	3150	16	White
3/8	CG381405	600	4400	22	White
